* Research and travel allowance costs of the fellow will have to be approved by Executive Board and Personal Supervisory Team.

**SECONDMENT SUBSISTENCE: Among Associated Partners there are prestigious institutions located in cities with some of the highest costs of living in the world (e.g., CERN and UC Berkeley). Although the living allowance is generous, we do not want the postdocs on these secondments to be financially penalised. We therefore envision additional subsistence that have to be approved by Executive Board.
